

GROWING ON MY OWN SCORE SHEET

Complete **seven (7)** activities each year. Include **four (4) Main Activities**—one from each H chapter—plus **three (3) More to Grow On** activities. Select from the additional activities in the book or develop your own with your helper’s assistance and approval. Complete the program in two years. Record in your Growing On My Own portfolio the what, when, where, and how you accomplished each selected “More to Grow On” activity. Remember to include your portfolio with your project book for grading. **(Maximum: 42 points only.)**
