College of Creative Arts Strategic Plan Alignment

with

West Virginia University’s 2010 Plan

PREFACE

The current Strategic Plan for the College of Creative Arts, adopted in 2002, is operational until the end of 2007. During 2007, the College, with input from faculty and staff, created a new Strategic Plan which was aligned to WVU’s 2010 Plan. The College adopted the 5 goals of the University Plan, and responded to those goals with College-specific goals, which are referenced below as Strategic Outcomes. These CCA Strategic Outcomes were approved at the end of the Spring, 2007, and the finalized CCA Strategic Plan was adopted by the College Executive Committee on December 18, 2007.

COLLEGE OF CREATIVE ARTS MISSION STATEMENT

The mission of the faculty and staff of the College of Creative Arts is to advance the visual and performing arts. We advocate life-long appreciation, understanding, and involvement in the arts as a medium in which the diversity of human experience is expressed, examined, and valued.

We accomplish our mission by being a student-centered College, educating succeeding generations of artists, teachers, and scholars through excellence and innovation in performance, exhibition, scholarship, and the dissemination of creative research. We provide exceptional opportunities for critical engagement in the arts to the citizens of West Virginia and beyond.

COLLEGE OF CREATIVE ARTS VISION STATEMENT

As the premier college for the visual and performing arts in the state of West Virginia, we are committed to leadership and recognition for excellence in innovative arts education, research, and performance.

PLANNING ASSUMPTIONS (continued from the CCA Strategic Plan, 2002-07)

The College of Creative Arts will continue to:

• offer professional, nationally accredited education in the arts;
• offer current academic programs;

• offer advanced creative research, scholarship, and performance;

• train future educators at all levels for public and private pre K-12 and higher education;

• introduce programmatic enhancements responsive to University needs and to the College’s dynamic academic and arts environment;

• enhance recognition of its excellence in teaching, research, and performance;

• pursue its commitment to advancing our national role in the arts, with strong international programs;

• provide staff, faculty, and students with support in achieving their professional goals;

• have a significant role in the cultural and economic life of the University, community, region, and state.

STRATEGIC OUTCOMES

Strategic outcomes (CCA goals) represent the results the College must achieve in order to move firmly and progressively toward the fulfillment of its vision and the WVU 2010 Plan. Outcomes represent verifiable commitments which are continually tracked and evaluated in order to measure progress.

The College has identified a number of key “outcome areas” which, taken together, encompass the range of our professional activities and our alignment with the WVU 2010 Plan. What follows are the outcome statements that represent the commitments that will drive the principal activities of the College of Creative Arts in the current three year planning period. Each outcome is followed by measurable strategic objectives listed under 2008-2010.

WVU 2010 Plan Goals are listed in bold type. Outcome areas are listed in italics.

1. Attract and Graduate High Quality Students
