

Aquaculture Research and Extension Project Meeting

Investigators conducting aquaculture research with the **Aquaculture Product and Marketing Development Project** will report on results of their research at the annual project meeting on Friday, October 23, 2009. The program will begin at 9 am and end about noon. The event will be held at the National Research Center for Coal and Energy in room 101 B. The meeting is open to anyone interested in learning about aquaculture research and extension at WVU.

Aquaculture Product and Marketing Development Project Meeting

October 23, 2009 NRCCE Room 101 B

| Investigator | Duration (minutes) | Starting Time | Topic |
|--------------------------------------|--------------------|---------------|--|
| Ken Semmens | 0:10 | 9:00 AM | Aquaculture Product and Marketing Development Project |
| Jacek Jaczynski | 0:15 | 9:10 AM | Protein and lipid recovery from trout processing by-products |
| Todd West / Karen Buzby | 0:20 | 9:25 AM | Aquaponics - Value-added products from aquaculture wastes |
| Karen Buzby | 0:10 | 9:45 AM | Use of Geotextile Membrane to Remove Solids in a Small Flowing Water System. |
| Ken Semmens | 0:15 | 9:55 AM | Status of aquaculture facilities at Dogwood Lake and Reymann Memorial Farm |
| Ken Semmens | 0:10 | 10:10 AM | Technology Transfer |
| | 0:15 | 10:20 AM | Break |
| Kyle Hartman | 0:15 | 10:35 AM | Will rainbow trout stocked into the Bluestone River at Pipestem State Park be available to anglers? |
| Chad Pierskalla | 0:15 | 10:50 AM | Developing and evaluating trout stocking strategies at Pipestem Resort. |
| Stephanie Gattrell / Ken Blemings | 0:15 | 11:05 AM | Efficiency of Nutrient Retention in Different Families of Rainbow Trout |
| Ken Semmens / Jacek Jaczynski | 0:10 | 11:20 AM | Niche Market Brook Trout - Production and Contaminants |
| Kristen Matak / Jacek Jaczynski | 0:10 | 11:30 AM | Niche Market Brook Trout - Sensory Attributes and fatty acid profile |
| Cindy Fitch / Megan Moran | 0:10 | 11:40 AM | Niche Market Brook Trout - Human Health |
| Fonda Holehouse | 0:15 | 11:50 AM | Assessment and development of a legal/institutional framework for the development of the aquaculture industry in West Virginia |
| Amanda Stewart | 0:20 | 12:05 PM | Evaluation of Genetic Diversity of Wild Source Populations and Hatchery-Developed Strains of Green Sunfish |
| Conclusion of Presentations | | 12:25 PM | |
