

Disaster and Emergency Management Resources

Table of Contents

1. Introduction	
Introduction	1.1
Disaster Resources	1.2
2. General Disaster Preparedness	
Action Steps to Prevent or Minimize the Impact of a Disaster	2.1
Creating a Family Disaster Plan	2.2
Preparing a Family Disaster Supplies Kit	2.3
Preparing a Disaster Evacuation Supply Kit	2.4
Preparing Children for Disasters	2.5
Making Special Provisions for the Elderly and People with Disabilities	2.6
Including Pets in Your Disaster Plans	2.7
Buying Insurance and Conducting a Household Inventory	2.8
Protecting Important Papers and Records	2.9
Finding Hazards in the Home	2.10
Buying a NOAA Weather Radio	2.11
3. Floods and Flash Floods	3.1
Introduction to Floods and Flash Floods	3.2
Flood and Flash Flood Disaster Management Measures	3.3
If Your Basement is Flooded	3.4
Damage to Flooded Structures	3.5
Floodproofing Your Home	3.6
Floodproofing Measures	3.7
Floods and Agriculture	3.8
Pesticide Storage Concerns	3.9
Salvaging Wet Feed and Grain	3.10
Maintaining Livestock Health After a Flood	3.11
Flooded Soils	3.12
Safety Rules for Farm Cleanup	3.13
Flooded Farm Vehicles and Equipment	3.14
Weed Management After a Flood	3.15
4. Thunderstorms and Lightning	4.1
Introduction to Thunderstorms	4.2
Thunderstorm Management Measures	4.3
What to Tell Children about Thunderstorms and Lightning	4.4
Standby Electric Generators	4.5
5. Tornadoes	5.1
Introduction to Tornadoes	5.2
Tornado Management Measures	5.3
Inspecting Farm Buildings for Wind Damage	5.4

6. Winter Storms	6.1
Introduction to Winter Storms	6.2
Preparing for a Winter Storm	6.3
During a Winter Storm	6.4
During a Winter Storm: Confined to Your Home	6.5
During a Winter Storm: Winter Driving	6.6
Winter Storms and Agricultural Producers	6.7
Winter Power Failure on the Farm	6.8
7. Landslides and Mudflows	7.1
Introduction to Landslides and Mudflows	7.2
Landslide and Mudflow Management Measures	7.3
8. Fires and Wildfires	
Wildfires and Fires	8.1
Introduction to House and Building Fires	8.2
House and Building Fires – How to Protect Your Property	8.3
Preparation for a Potential House or Building Fire	8.4
How to Prevent a House or Building Fire	8.5
Helping Children During a House or Building Fire	8.6
During and After a House or Building Fire	8.7
Fire Prevention and Safety on the Farm	8.8
9. Hazardous Materials	9.1
Introduction to Major Hazardous Materials Accidents	9.2
Major Hazardous Materials Accident Management Measures	9.3
Hazardous Materials Accidents in the Home	9.4
Hazardous Materials Storage Concerns on the Farm	9.5
10. Extreme Heat	10.1
Introduction to Extreme Heat	10.2
Extreme Heat Management Measures	10.3
Extreme Heat Disorders	10.4
11. Terrorism	11.1
Nuclear Accidents	11.2
Introduction to Terrorism	11.3
Terrorism Management Measures	11.4
Radiation	11.5
Dirty Bombs	11.6
Nuclear Blast	11.7
Anthrax Facts	11.8
Radiological Accidents and Agricultural Producers	11.9
12. Safety and Health	
Evacuation Procedures	12.1

Food Safety During a Power Outage	12.2
Disaster Safety – Downed Power Lines	12.3
Fire Safety After a Disaster	12.4
Flood Safety Tips	12.5
How to Protect Yourself When Cleaning Up After a Flood	12.6
Molds in the Home	12.7
Caring for Your Pets During a Disaster	12.8
Pest Control Following a Disaster	12.9
Safe Drinking Water	12.10
Cooking When the Power Goes Off	12.11
Food Safety After a Flood	12.12
Emotional Reactions to Disasters	12.13
Helping Children Cope with a Disaster	12.14
Post-disaster Stress – When to Seek Outside Help	12.15
13. Home Recovery	
Drying Out Before Rebuilding	13.1
Disaster Cleaning Products	13.2
Cleaning up Flood-damaged Walls	13.3
Cleaning Flooded Wood Floors and Woodwork	13.4
Cleaning up Flood-damaged Carpet	13.5
Sanitize Cooking and Eating Utensils After a Flood	13.6
Flood Cleanup: Clothes, Bedding, and Household Textiles	13.7
Drying Flood Damaged Books and Family Papers	13.8
Cleaning up Electrical Systems and Appliances	13.9
Cleaning Flooded Heating Systems	13.10
14. Property Recovery	
Clearing Disaster Debris	14.1
Repairing Flooded Lawns	14.2
Storm-damaged Trees	14.3
Storm-damaged Shrubs and Ornamentals	14.4
15. Financial Issues	
Should You Buy Flood Insurance?	15.1
Flood Insurance Rate Maps	15.2
Floodplain Management	15.3
Before You Call for Federal Disaster Relief	15.4
Filing a Flood Insurance Claim	15.5
Choosing a Contractor for Home Disaster Recovery	15.6
Beware of Fraud in Disaster Areas	15.7
Disasters and Federal Taxes	15.8
Home Insurance Tips After a Disaster	15.9
16. Index
