recommended. Each recommendation shall be signed by the county Extension person and by one or more county 4-H All Star(s). ***If recommendations are submitted electronically, the county Extension person and one or more county 4-H All Star(s) will sign the required transmittal form and mail it in.***

Members of 4-H All Stars, who are also employed by the West Virginia Extension Division and who are responsible for the 4-H program, may recommend to the state selection committee eligible 4-H leaders and eligible Extension personnel who have contributed outstanding service to state 4-H programs and events.

All Stars in each collegiate 4-H club in West Virginia, in conjunction with the collegiate 4-H club's advisor, may recommend to the state selection committee eligible 4-H members and 4-H young adult leaders who are actively involved in that collegiate 4-H club. If those nominated are registered 4-H members in a WV county, they must use the "member" form. (It is desirable to have the signature of the home county Extension 4-H members.) If they are not currently a registered 4-H member in a county, then use the "leader" form per ARTICLE IV, Section 1, b, ii.

The Executive Committee may recommend Extension personnel to the state selection committee. The Executive Committee may further recommend to the state selection committee such other individuals as they determine to have contributed outstanding service to the West Virginia 4-H program.

Such recommendation shall be accompanied by the prospective member's record of service to other organizations, including religious, charitable, civic, community and similar organizations, and to other causes and projects. For any person recommended as a 4-H member and as a 4-H leader per ARTICLE IV – Membership, Section 1, b, ii, such recommendation shall also include both member and leader forms.

Recommendations must be received prior to the date on the recommendation form for the current year in which they are submitted. A recommendation received after that date may be considered, in the sound discretion of the Executive Committee, if it finds that the delay in submission or receipt was caused by unusual and extenuating circumstances, and if it further finds that consideration of the recommendation is consistent with the purposes of the order.

## Section 2 - State Selection Committee and Process

The state selection committee shall be composed of all members of the Executive Committee, two representatives from each of the various Extension districts, and a representative of the West Virginia Association of Extension 4-H Agents. state selection committee, and shall determine those persons who have received the required number of votes to be selected for membership.

f. Immediately following the meeting of the state selection committee:

i. the Chief shall return the recommendation forms for persons who did not receive the required number of votes to be elected to membership to the county Extension office or WVSU 4-H Program representative. The recommendation forms for those persons who were selected for membership shall be retained by the Chief for use, as hereinafter provided, in the various state events at which a consecration ceremony is conducted.

ii. the Chief shall provide each county Extension office a list of approved 4-H leader nominations for All Star membership from the relevant county. The Chief shall provide to the county Extension office a notification form letter which will include the information pertaining to the time and place those nominated as 4-H leaders may be inducted and the requirements for inclusion in a consecration ceremony. The Chief shall request that the county Extension agent notify each leader of their selection by sending them a copy of the selection notification form letter. 4-H members with approved nominations will not be notified prior to their tapping during the consecration ceremony at camp.

g. If a person who is selected for membership is not initiated into membership at an approved consecration ceremony conducted within one year of his or her selection, the Chief shall return the recommendation form for that person to the county Extension office and notify the District Scout(s) as soon as practicable after the last consecration ceremony scheduled during that period. Those persons, if eligible in the following year, shall be automatically selected for membership, provided the recommendation is updated, resubmitted and bears the notation showing approval by the previous state selection committee(s), and the state selection committee in the year of the resubmission shall verify the prior approval.

h. A person shall be eligible for automatic selection pursuant to this section for no more than two consecutive years after the initial year. After two consecutive years of resubmission, a person may be considered for membership by the selection committee only upon the submission of a new recommendation form in accordance with this Constitution. If a person is thereafter approved for membership by the selection committee, he or she may be eligible for automatic selection, but in no event shall a person be considered eligible for automatic selection for more than two years in succession.

i. The recommendation forms submitted by the membership of the order in any county in the state of West Virginia shall be returned to the county Extension office for that county, except that any recommendation of the Extension personnel responsible for the 4-H program within the county shall be returned to the member of this order who signed the recommendation form, rather than to the county Extension office. Recommendation forms submitted by the membership of the order in any collegiate 4-H club in the State of West Virginia shall be returned to the collegiate 4-H club's adviser.

Invitations to such persons to attend the West Virginia 4-H All Star Conference shall be issued only after the completion of all approved consecration ceremonies that are scheduled prior to the West Virginia 4-H All Star Conference for that year. Initiates must attend both the consecration ceremony and the initiation ceremony.

At each state 4-H Camp, the Chief, or such other person as the Chief may designate, shall determine whether any persons selected for membership at that year's meeting of the state selection committee are in attendance at that State 4-H Camp.
