AWARD REQUIREMENTS

- This application is only applicable for students attending colleges in the U.S.
- Applicants must have received a bachelor's degree from fully accredited colleges or universities and be members in **good standing** of The Fraternity of Phi Gamma Delta.
- The application must be completed in full either typed or clearly printed. Completed applications must contain application, community service statement, financial need statement, copy of FAFSA, Award letter, and official transcript. Documents may be sent under separate cover, but each must be postmarked by midnight, April 4, 2005. Answer all questions where indicated on application form and do not use a separate piece of paper except when asked to attach a statement.
- Acceptance of a Foundation fellowship imposes an obligation to begin and complete a year of full-time study (12 credit hours) in 2005-2006. Brothers who will finish graduate school during the 2005-2006 academic year may be considered for a partial scholarship.
- All winners will be notified before the beginning of each school year.
- Most fellowships of \$1,000 will be distributed in two installment of half each, one for the first semester and one for the second semester to the fellowship recipient.
- Any successful applicant who has not been accepted as a graduate student for the course of study specified in this application by August 15, 2005 may forfeit the fellowship. The Foundation reserves the right to cancel the grant.

Each year, the Phi Gamma Delta Educational Foundation receives gifts from graduate Brothers who wish to help their undergraduate and graduate Brothers with educational pursuits. Fellowships generally are \$1,000 each and are awarded on the basis of need for financial assistance, scholarship, leadership, and citizenship. Fellowships are open to members of Phi Gamma Delta for graduate study at fully accredited institutions.

The Foundation provides graduate fellowships as grants, not loans. Recipients are encouraged to do whatever they can, when they are financially able, to give to the Foundation so that it will continue to have the resources to grant such assistance to deserving Brothers in the future.
