Directions on How to Apply for a U.S. Passport

- 1) **Read the instructions located on the back of the Passport Application** on how to apply for a U.S. passport. Passport Applications can be found at your local main Post Office or downloaded at http://travel.state.gov/passport_obtain.html
- 2) Complete the white areas on the front of the Passport Application. Answer all questions, but **DO NOT SIGN**. Do not fold, staple, or erase on the form.
- 3) **Passport-size photos.** Consult the yellow pages for photographers and inquire if they take passport-size photos. Prices for photographers can vary significantly, so you should do some comparative shopping. Both color and black & white photos are acceptable, however, black & white photos are normally less expensive. You should also check on the rates for **Duplicate Prints**. Many countries require additional documentation, such as student visas and alien registration cards, which might also require passport-size photos.
- 4) Locate acceptable **Proofs of Identity**. The Passport Application requires an original or certified (NO COPIES!) birth certificate and a valid state or federal photo I.D., such as your driver's license. Consult the instructions on the back of the Passport Application for special instructions regarding Naturalized citizens, U.S. citizens who were born abroad, and citizens who have no birth record.
- 5) Take the Passport Application, two passport-size photos, proof of identity and the **Passport fee** of \$85.00 to your local main **Post Office** to complete the application. **YOU MUST DO THIS IN PERSON.**

Other Useful Information:

The Passport Agency normally takes from *six to eight weeks* to process your passport. If you are under a time constraint, there is an available **Expedited Service** that can process your passport in three working days upon receipt at the Passport Agency. This service costs an additional \$60 plus overnight shipping fees.

You may also be asked to provide additional documentation proving your identity. In case this occurs, you should **locate** other acceptable documents in order to save time. Suggested documents include high school and college transcripts, tax records, marriage certificates, and enlistment papers for the U.S. military service.
